KRCA
KRCA CHILDREN'S PROGRAMMING

Following is a list of programs and PSA's broadcast during the April 1, June 30 quarter of 1993 that represent Station KRCA's most significant efforts to meet the educational and informational needs of children:

Title	Duration	Description	Time	Date
"The Children's Room"	24:55 min.	This program provides children with the illustrated narration of children's books. The story titles are: "Chester the Chick," "Snow Lion," "Hide and Seek," and "Messy Marcy MacInture."	4:00 pm	4-01
"Life's Little Lesson: Child Abuse"	13:17 min.	This program reveals the harsh reality of child abuse in our society. The story is about a boy and a girl who are physically and mentally abused by their stepmother. It stresses the importance of seeking help or telling someone that you or someone you know is being abused.	4:30 pm	4-01
"Life's Little Lessons: I Can't, I Won't"	7:38 min.	This program encourages children to be courageous and persistent in achieving their goals. It is the story of an old woman (acted by a child) who is afraid to discover her talents, for fear she will fail. Consequently, she becomes bitter and frustrated at the lack of fulfillment in her life.	4:43 pm	4-01
"Life's Little Lessons: Kind Words"	6:30 min.	This program is about moral principals and values. It teaches children that all people need kindness and love to thrive.	4:50 pm	4-01

CHILDREN'S PROGRAMMING LIST

Title	Duration	Description	Time	Date
"The Children's Room"	24:55 min.	This program provides children with the illustrated narration of children's books. The story titles are: "Wally the Whale Who Loved Balloons," "A Mouse Mess," "Mole Moves House," and "A,B,C...Read with Me!"	4:00 pm	4-06
"Radiation" Part 1	15:25 min.	This program teaches children about the historical scientific discovery of radiation to current day theory and usage.	4:30 pm	4-06
"Life's Little Lessons: Being Ungrateful"	12:00 min.	This program teaches children to establish a higher standard of moral values and principles.	4:45 pm	4-06
"The Children's Room"	24:55 min.	This program provides children with the illustrated narration of children's books. The story titles are: "Looking for Susie," and "Anatole and the Toy Shop."	4:00 pm	4-07
"Radiation" Part 2	20:54 min.	This program examines the current technological use of radiation in medicine and communication. Also studied is the science of nuclear generated radiation and the electromagnetic spectrum.	4:30 pm	4-07
"Life's Little Lessons: Respecting the Law"	6:31 min.	This production gives children a sense of respect and appreciation for the law. Set in the wild west, a group of outlaws (played by children) are jailed and realize the only way to happiness is to become an honest citizen.	4:50 pm	4-07

CHILDREN'S PROGRAMMING LIST

Title	Duration	Description	Time	Date
